Please note that this is not only a legal contract but also a soul contract and promise to yourself. A soul contract is a declaration that you are ready and willing to commit to commitment and express your gifts to heal, uplift, and inspire. A Spiritual Path is a privilege and a gift. As a Teacher in Training you are declaring to the Universe that your gratitude has prompted you to transition from a receiver (student) to a gracious giver (Teacher).

Ultimately it's not us who certify you but you who certify yourself. Whenever we transition to a higher order of being, it always entails a leap from our old habits to something unprecedented in our lives. This is truly a quantum leap that requires faith in the process and confidence in your higher potential. Your fellow Trainees are your true soul tribe and we are entering into this beautiful convocation to support each other on our Path.

This is a powerful opportunity for you, your community, and the world. The energy and grace waves we will generate as a group will broadcast beautiful blessings that will transform environments, save souls, and open hearts. We look forward to seeing you in Branford!

Sat Nam & Blessings! Ana Brett and Ravi Singh

(please note that the first payment will not be processed until a week before the first Module, but it is important that we get your commitment as soon as possible).
